Rescue: Administrative Grant Application Form

The SHCA Trust encourages the establishment of well organized and managed rescue organizations benefitting the Siberian Husky. Incorporating, obtaining IRS nonprofit status, and applying for state or local licensing may be costly. This Grant can help defray some of these expenses for an Approved Rescue Entity. With appropriate documentation, this Grant can help an Approved Rescue Entity recoup the costs of state incorporation, IRS non-profit determination, FDA/State/local rescue group licensing. This is a one-time grant per entity with a maximum of \$1,000.00 with documentation.
