Health Rescue Education

Rescue: Entity Application Form

The Trust’s mission is to collect and distribute funds to aid the Siberian Husky breed in the areas of health, education, and rescue. We are dedicated to improving the lives of all Siberians. Please note, that although the SHCA, Inc. and the SHCA Trust are affiliated, the Trust is a separate entity with separate purposes.

The completion of this application does not guarantee that you and/or your organization will receive any grant money. The Trust has the right to deny or approve all grants. The approval of grant money in one year does not mean that you and/or your group will be approved for grant money in subsequent years. If you are contacted for additional follow-up information, the additional information must be provided before any grants are considered. Answer all questions completely. Attach any additional sheets as needed.

Thank you for applying to become an approved rescue entity with the SHCA Trust. We greatly appreciate all that you do for Siberian Huskies.
