Education: Education Participation Grant Application

The completion of this application does not guarantee that you will receive any grant money. The Trust has the right to deny or approve all grants on an individual basis. The approval of grant money for one activity does not mean that you will be given any grant money for subsequent activities. Funding may be determined by the money in the Education Fund.

Funding is provided to help defray mileage and parking expenses incurred in support of SHCA-hosted, sponsored, or sanctioned education programs. Stipends will not be paid if applicant(s) received any other funding for the event(s). Stipends may never exceed the actual expenses incurred (two-way mileage, toll(s), parking). Stipends will not be paid for participation in educational events held in conjunction with the SHCA National Specialty. All stipends must be approved by the appropriate SHCA Chairman, and receipts may be required.
